Hi Bruce,

Just writing to say many thanks for the wonderful job you did as MC at our wedding especially under not so friendly circumstances.

I know we have thanked you before but many of our guests have said how much they enjoyed your presence and your work.

Thought you'd like to know.

Hope you're well.

Kind regards Jen

Nicole & Matt's Wedding 28/1/2012

Hi Bruce,

Sorry it has taken so long to email you to send the biggest greatest thanks for such an amazing job you did at our wedding. When we got back to Dubai we hit the ground running and we are only now getting around to our most important thank you's.

We can not express enough thanks for the wonderful job you did, not just at the ceremony and reception but also the day before at the rehearsal. Taking the time to sit with our MC to help him out was definitely going beyond what we expected from a DJ and it made all the difference. So many of our guests have commented on your great work, you really read the crowd and went with it which was exactly what we were looking for. I don't know if you remember but when we first met, I told you there would be lots of dancing at our wedding and dancing there was!!! It was so great to have everyone up and dancing even before the main course.. I mean how often do you see that?!

I have also put a review on the Australian Wedding Forum and the link is below if you would like to look at it.

Once again a big massive thank you for such an amazing job and for taking the genuine interest and care in making sure our day was special.

Kind regards,

Nicole & Matthew

Genevieve's Bat Mitzvah 30/1/2011

Dear Bruce,

Thank you so much for the great job you did at Gigi's Bat Mitzvah last Sunday evening. It was great having you there on the night but also in the preparation leading up to our celebration. We felt confident right from the start that you had things under control and that you would make sure all went smoothly. And of course you did. You were able to keep the party atmosphere going so that we all had a great time.

Thanks again

Sarah & Matt's Wedding 18/3/2011

Hi DJ Bruce!

Matt and I just wanted to say a huge THANK YOU for getting everyone up and rocking at the wedding. It was an awesome day and night so thanks for your hard work in putting the music together Matt loved that "telephone booth" got a run.... very funny.

Hope to see you sometime in the future.... possibly at our kids 18th birthday parties?! Although somehow I don't think John Farnham and Bon Jovi will go down so well at those events....

Cheers,

Caroline & Benn's Wedding 18/3/2011

Hi Bruce

Benn and I wanted to say THANK YOU SO MUCH for last night!

We really had a fabulous night and it was largely due to your professionalism with the MC-ing and keeping things running smoothly all night.

The music was fantastic, so many of our friends said they loved what you were playing. You really did make it the party we were after.

*Thanks again, so much. We would be more than happy to recommend you to anyone!

Bruce,

It's good to hear from you. You don't need to be worried about us forgetting you, we were both really impressed with the show you put on for us.

We're glad that you have good memories of the wedding. There have been so many people who have told us how much fun it was and we seem to have set the bar quite high for others to follow, which is not too bad for the ego.

We obviously had a great time and want to thank you again for your efforts on the night. It wouldn't have been the same without you.

*Hope you're well and you're playing some good gigs.
Take Care,*

Alison & Jaron's Wedding 22/1/2011

Bruce!

Thank you soooooooooo much for the amazing support you gave Jaron and I on Saturday.

We are so thankful that you were there - between you and Mandy we had no worries in the world!

I really am surprised at the lack of party people that filled the floor and how hard you had to work to get the crowd up there! Although I imagined the floor to be filled all night, the feedback that we have had is that everyone had an awesome night - I think the crowd must have been in a mood to chat and hang out at tables rather than burn off their meals.

I also want to thank you for your patience with my nieces. I know Emily and Holly really bugged you with requests and Emily even gave you her ipod so that she could get her way! I'm sorry for the irritation they may have caused, but they really REALLY took a warming to you. To tell you the truth, when i saw Holly (the next Beyonce) on Sunday morning, she answered the door in her wedding heels and flower headband. She told me that she woke up crying and was very upset that the party wedding day was over. She also was missing her new best friend 'Bruce'.

We all are going to have so many fond memories of our wedding day - it is completely surreal that it is over, but it would never have turned out the way it did if we didn't have you there to share our day. To us, the day was complete perfection, we couldn't have dreamt of anything better!

You really went beyond any expectations Bruce - thanks again for your professionalism and friendship.

We wish you all the best for your future and hope that one day soon we'll get to see you at a function again.

You're amazing Bruce!

Tina & Rowan's Wedding 20/11/2010

Hi Bruce,

Rowan and I want to thank you for providing such awesome service! The dance floor was pumping and your DJ skills added so much to the atmosphere on the night, you read the crowd so well and everyone has commented that it was the best wedding dance session ever!

After all the drama of the last few days, we are heading off for a few days today so I just wanted to write you a short note before we go.

Thanks again so much, we will absolutely be recommending you to everyone we know so we hope to see you again at someone else's big day!

*Many thanks,

Hi Bruce,

Just wanted to shoot you a quick email before we go on our honeymoon. Just wanted to say thank you so much for everything on Saturday. You were fantastic! Thanks for getting music organised for our ceremony, that was much appreciated. Thank you for being a great MC and for getting everyone up on the dance floor, you did a wonderful job! I've had a lot of people comment on how good a job you did and just wanted to let you know. Sorry we didn't get to chat a bit more, the beginning was a bit of rush cause we were running late, But we soon got back on track! Thanks heaps and I'll be in touch when we get back.

Joel & Pru's Wedding 14/08/2010

"Bruce was great. After meeting with him he knew exactly the kind of music we wanted and took the stress out of picking music. His suggestions were spot on. Everyone at the wedding raved how great the music was and how fantastic he was. He really made the evening!"

Lucy & Nick's Wedding 1/10/2010

Dear Bruce,

Hope you are well.

I would just like to say a very big THANKYOU for your great work at our wedding.

It was such a great night, with a very packed dance floor all the time.

The music selection was perfect for everyone. Trying to do the right thing I spent most of the night chatting with guests rather than spending time on the dance floor. I keep saying I wish I was a guest at the wedding, it looked like so much fun. I have asked Nick if we can have a party for 'no reason' just so we could book you as DJ in the near future.

I have only heard positive comments from guests, so thank you once again.

Kind Regards - Lucy

Dearest Bruce,
This is a little card to give you a big thank you for the wonderful DJ services you performed at our wedding on May 1.
We really appreciated being able to meet with you beforehand to discuss what we were after - you really listened and on the night gave us exactly the music we wanted! I just wish we had had more time to dance the night away. You really made the night - thank you again.
Best wishes, Gord and Elly.

Luke & Danielle's Wedding 8/1/2010

Our summer wedding reflected the style and personality of Luke and I. We wanted dancing to be a prominent part of the reception so our DJ played all the music we love plus requests from our guests. Bruce was an absolutely phenomenal DJ/MC. Everyone had an absolute ball dancing!

Lauren's 21st 3/9/2010

Dear Bruce,

Thanks so much for running such a lovely party last night! Your quirky sense of humour and natural attunement to the RIGHT music at the different times really contributed to a great party! Loz and indeed all of us had a ball! I'm certainly feeling very bushed now but satisfied that the event was so lovely and felt so special as you realise that Loz is our own very special girl!

Thanks again and I certainly will never hesitate should we plan another do or know others who plan a party and want your form of entertainment!

All the best and big thanks, Deena and family.

Dear Bruce,

What an amazing DJ you are! Thank you so much for everything, everyone had an absolute ball and we have been smiling about our wedding night for weeks and will remember it vividly for a long time.

The time and effort you put into making it "our night" was much appreciated, even if the chicken dance did make the play list, in some way we don't think it would have been a true wedding without it. :-). I have attached some pics of Lee behind the decks for you, she loved it.

And we are also glad to be the couple that let you blow the Fenix sound limiter twice in one night, that we are very proud of.

Thanks again for a rockin' good time.

Dear Bruce,

We want to thank you immensely for the epic celebration of our wedding. You run an absolutely phenomenal service, from the very first meeting we had right through to the end of the reception. All of our family and friends can't stop raving on about how much fun they had dancing to the great selection of music. At one point in the night I stopped to take a breather and the dance floor was full of all our guests dancing, laughing and having fun. You created an amazing atmosphere and we had an absolute ball! Hi Bruce

I just wanted to say thank you so much for doing such an excellent job at our wedding. Everyone said that our wedding felt like a party and I was so happy to see everyone always dancing. Chris, me and our families had the best time. I know some weddings who have booked in bands and now want a dj instead because of our night. So many people commented on how good the music was and thought you were fantastic.

There is nothing that we would have changed.

Rebecca & Matt's Wedding 11/12/2009

Hi Bruce,

Sorry it has taken so long to write this email. We just wanted to thank you for the fantastic job that you did at our wedding on December 11th 2009. Everyone that we have spoken to has said that you did a great job and that they had a wonderful night. It was great to see my 82 year old Grandmother out on the floor having a dance. The mix of music you played ensured that everyone felt like getting on the dance floor as it covered all age groups from the oldies to the kids (who spent the entire night on the dance floor!).

You were always professional and friendly in all your dealings with us (although Mat was a little disappointed that you didn't turn up in your Storm trooper costume!) and made organising our reception entertainment a breeze. We will definitely recommend you to all of our friends should they have need of a DJ in the future and will use your services for any future functions we have. Please feel free to use this recommendation for any potential clients as we were extremely happy with your services.

I want to thank you so much as you were a big part of making the night such a success!!! EVERYONE loved the music and how you made the night run smoothly and a lot of fun.
I am very lucky to have such a great group of family and friends!!! We are all a bit crazy but enjoy life to the fullest. We will definitely use you again and the word is out how good you are!!!
Thank so much Bruce, especially for dressing up too!!!
Cheers, Annexxx*

Bruce, how are you travelling? Hope you are well and spinning those disks. Just following up to thank you for the professionalism and genuine interest you showed in Anne's 40th. A lot of people at the party acknowledged that part of the success of the party was having a dj tune in to the crowd and play music that almost demanded people get up and dance (as distinct from a lot of parties these days where people assume they can load some music on to an ipod and that it will create the necessary atmosphere to have people dancing all night-which is typically does not!).

I have attached some photos of the party for your amusement. Believe it or not, people are still meeting up with Anne to have a post party "de-brief" and reminisce about the evening

If you are in the cbd, feel free to give me a call and we can catch up for a coffee.

Dear Bruce,

Thanks very much for a wonderful selection of music and for your experienced intuition in knowing how and when to engage the crowd. I was very pleased to see people eventually let their hair down and enjoy the music and dancing.

You seem to work really well with Eammon and I guess that comes down to the fact that you have worked together before so you have a great partnership.

Kim & Nic's Wedding 29/11/2009

Dear Bruce

Thanks for your effort and advice on our wedding, both leading up to and on the big day. Doing the bridal dance at the start was especially a stroke of brilliance!

From the very start of the evening, from meeting us as we arrived, firing everyone up for our grand entrance, the smooth transition between Mark and yourself as the event went from formalities to dance floor - your MC and DJ skills exceeded our (high) expectations.

Thank you for incorporating our parent's songs into the evening so smoothly. And also for keeping the dance floor so full for the entire evening, you read our style and the crowd very well (including the kids!). Our wedding was definitely everything we'd hoped for. If the opportunity arises we will definitely recommend you or use your services again for functions.

Dear Bruce
I am so very glad we tracked you down. We wanted a big celebration and great entertainment for our guests and we got it. Everyone had such a lovely time at our reception and the dance floor was always full. Your care of Beau and I as the bridal couple was so professional and very tuned in to our needs. Your ability in improvising while we were delayed and making sure the evening flowed set our guests

at ease. The superior quality of your personalised service has been proven yet again and I am recommending you every chance I get. We are very appreciative of your generous promise and while tempting, the most enjoyable memories of our wedding reception are of the few dances I was able to get up and dance too! These I hold dear as my ability to celebrate was somewhat limited by my health. You have exceeded far beyond our expectations and for that we sincerely thank you. It was a great party. We wish you all the best & BHE!

Hey DJB!

We're back from our honeymoon. Actually we've been back for almost a week now. But we spent most of it cleaning up the mess in our house, unpacking our luggage and opening the wedding gifts et al, so it has been a slow but steady settling back into normal life. We also want to thank you for everything you did that night.

We're very pleased with your professionalism and services, so much so you're our 'go to' guy now should we need more DJ'ing services.

Rebecca & Zac's Wedding 07/02/09

Hi Bruce,

We have just returned to Dubai after our honeymoon, much to the dismay of our parents. We just wanted to touch base with you to say a huge thank you for all of your help and support on the day. It made us feel much more at ease knowing that you had things under control and we really loved the music selection. My poor dad was in tears after the second song!

Thanks for sharing this special day with us and we will be sure to recommend you to any of our friends needing a DJ back home.

Kind regards,
Rebecca and Zac Donev

TO THE BEST DJ EVER!!!!!!!!!!!!

Hi DJ Bruce,

Happy New Year!

Just a quick email to praise your fabulous performance at our wedding. You rocked it out all night and we had the night of our lives. Thank you so much for your attention to detail and skilled song choices, because we had people up dancing that are hard to move. Steve and I have been talking with guests and everyone agrees it was a top night highlighted by your dance floor. Thanks again and next time we have a big party we will call you first.

Josh & Tamara's Wedding 4/10/08

Hi Bruce,

I don't think I thanked you properly for the fantastic job you did at Josh and my wedding. We both had such an amazing day and you were a big part in making that happen. If you can remember, I said I wanted one thing and that was to have the dance floor full, and you did just that!!! Oh and thanks for letting my family and Josh's family, and myself, have a go at D.J.ing, that was fun!!!

Thanks again,
Josh and Tamara

Robert & Jenny's Wedding 24/10/08

BRUCE!!!

Have been meaning to email you for ages but things have been so full on for us with the honeymoon, Christmas, New Years etc...

We want to thank you so much for all your efforts for our wedding. Everyone who was there tells us how great the night was (even though courtesy dictates such a comment we can tell that people really mean it) and especially how good the music and dancing was. We both truly believe it would not have been anywhere near as good had you not been at the helm and we couldn't have asked for anything more.

Cheers,

Rob and Jen

Owen's 30th Birthday 10/10/08

Dear Bruce

Just a short note to thank you very much for your assistance in making my 30th birthday celebrations so special.

The night was perfect. I had a fantastic time. I take great pride in being a MCC Member and to be able to have my party in the Committee Room meant a lot to me.

Thank you again for all your work in making the 10th of October 2008 a night I will never forget.

Yours sincerely

Penny & Chris' Wedding 19/04/08

Hi Bruce,

How are you?

I've been meaning to send this email to you for a month now so I'm sorry for the delay.

I just wanted to say thank you so much for the fantastic music you put together at our second wedding at Sandhurst. You were brilliant and we just had the most fun ever. Everyone had sore feet on the Sunday from all the dancing and many, many people commented on your good work!

So Chris and I just wanted to say thanks so much. Will 100% recommend you to anyone looking for a DJ.

Cheers, Penny

Wendy & Leigh's Wedding 10/03/08

Hey Bruce,

I can't believe it's been nearly three months since the wedding, nor can I believe how amazingly slack I have been with my thank you's!

I was talking to Leigh last night about how we haven't even spoken to you, or our minister, the two people who really made our day awesome! We have had a few people say how brilliant you were, and that you were running around organising stuff with the function manager (my god, I can't even remember his name, how bad is that!). I barely noticed it, and I guess that's the point, we trusted you when you said you'd liaise with them to make everything run smoothly, and you did! And you did it brilliantly! Plus the music was a perfect mixture of what we love, and what everyone else wanted to hear. I still can't believe I was moshing to Millencolin in my pristine white wedding dress! Haha, so me!

Thank you for all your hard work on the night, you were just brilliant, and sorry we have taken so long to get back to you. I think with all the stress in the lead up, afterwards you don't want to think about anything wedding related at all! I also think our best man & bridesmaid (Dave & Colleen) are going to contact you for their wedding on the 30th of August. I hope you're free!!

Nicole & Steven's Wedding 06/09/08

Hi Bruce,

Just a quick thank you for making our night so perfect! It was great and as a matter of fact I have someone asked how I found you! The night flowed so flawlessly with you MCing and we wouldn't have it any other way. You even got Steven up for the first dance! YAY!

Thank you again Bruce, it was a perfect night and we couldn't ask for more from yourself! You are so professional and such a nice guy at the same time!

It was so great that I can do it all over again! (minus the two year worth of preparations of course! Lol!)

Nicole

Merryn & Peter's Wedding 21/09/07

Hi Bruce,

It would seem I have been completely unorganised with my thank you cards so I wanted to send you an email instead.

I just wanted to thank you for your amazing work for our wedding! We had so many amazing comments from people saying that the music was fantastic. One friend actually said that everytime she went to leave the dance floor for a rest, another great song came on causing her not to sit down but to continue dancing. Pete and I could not have wished for a more party like atmosphere. We were so happy that the dancefloor was never empty and I not sure if you noticed but there were people singing along with the music when they were eating there meal which I had a bit of a chuckle about.

Thank you again you were fantastic.

Merryn and Pete

Thursday 2nd August 2007

Dear Bruce,

Sorry it has taken me so long to get back to you! Who would have thought that there would be wedding-related activities to attend too *after* the wedding! Most of my time has been sharing the wedding photos with every man and his dog (at their request – not mine!).

Nick and I would like to express to you how extraordinarily happy we were with your services. We were so impressed from the very first moment we met you. Your degree of professionalism while demonstrating such a fun and lovely personality was what hooked us straight away.

You expressed more interest in our wedding and our opinions than any other supplier we used. I was so impressed by your level of commitment to ensuring that our wedding was perfect and that we had everything we needed and wanted. We had the most magical day ever and I simply would not change a thing.

Our guests absolutely raved about how much fun you are and what a great sense of humour you have. You kept our guests well entertained and had them laughing at your jokes many times throughout the night.

Thankyou so much for playing such a great role in our wedding! As you would have seen, so many of our guests were thrashing it out on the dance floor, including the oldies! Some of my friends said that our wedding was the best wedding they had ever been too and had so much fun dancing and singing the night away.

Nick thinks you are the funniest bloke and loved your jokes during the reception. He is most complementary and has been recommending you to all of his friends.

We can't thank you enough for all of your hard work and your fun-loving attitude. You are a true professional who I am sure will go very far in your industry. We hope that our friends contact you and choose to book your services. We will think that they are simply mad if they don't!

With the fondest of memories,

Stay in touch!

Ineka & Nick

Simon & Narelle's Wedding 7/04/07

29th May 2007

To Bruce,

Just a quick letter to let you know what a wonderful job that you did at our wedding at Fenix, on April 7th. Not only did we have an amazing time, all of our guests had a blast!!!

So many guests, from the youngies to the oldies commened on your music selection. It wasn't just the music choice, but the timing of the tracks. You knew when to play what, which made for a jam packed dance floor.

You worked very well with our MC, Jim, and people are still talking about you letting him do karaoke on the last song! By all accounts it was a classic!

Many people say that if the music is good, then the reception is good. So you can take knowledge knowing that you had a big impact on our, and everyone else's day.

*Well done Bruce, and good luck with the future.

Ineka & Nick's Wedding 16/06/07

Hi Bruce,

We are back from our honeymoon with a kick-ass tan and some very happy memories. I can't express to you how happy we were with our entire wedding day. We had the most amazing and magical day ever. I was so pleased that everything went without a hitch and I didn't have to worry about a thing all night. Everything was under control and taken care of by the professionals.

People have raved about the reception. I'm not sure if people were just being super nice but I was shocked by the amount of people who said that it was the BEST wedding they had ever been to. I personally have never felt that strongly about a wedding reception before so I hope they are being honest! I feel in my heart though that what they said is true and that they really did have the best night. That makes me so happy.

Nick and I are so happy with the way you handled things from the very first meeting right through to the reception. You have a fantastic sense of humour and Nick thought that your 'beanie' joke was very funny. We had some fantastic feedback about your work from many guests (with the exception of an old Aunty who thought it was TOO LOUD). Shut up to her! I intend to write a lovely expression of thanks for you that you can use to help attract future business. I would like to spend some time on it though so if you could give me a couple of weeks, I will provide you with something special.

I hope that our friends Daniel and Kate choose to book you for their wedding in February. If so, we will have to catch up for a drink (if you are allowed to of course!). Thank you again for the most wonderful night. I had an absolute blast. I will be in touch shortly with a more 'professional' thankyou, however, you are more than welcome to use anything I have said in this email in your advertising material.

'Kindest Regards' and 'Cheers' just doesn't quite express our gratitude so,

Love,

Ineka & Nick

Gary & Joanne's Wedding 6/5/2006

Hi Bruce,

I wanted to let you know that Joanne and I were extremely happy with the way you handled the entertainment and MC functions on Saturday night. We had lots of positive feedback from all age groups and the simple fact that the dance floor was packed all night from start to finish says more than I can.

We had hoped and planned for a party, but it went off better than we could have imagined. Thanks so much for your help and enthusiasm, so many people made positive comments like "my daughter did her first Nut Bush" and "isn't it amazing how everybody including the kids liked the older music".

We recommended and suggested to all our guests that if they needed a DJ then you were the guy to talk to and could be contacted through us. We will definitely be using your services again and will continue promote you to all of our family and friends.

Thanks again for a fantastic night and I'll forward you some pics when they come through (should be a couple of weeks). If you would like to use Joanne or I as references for further business we would be more than happy to assist.

*Thanks and regards,
Gary and Joanne*

Steve & Millie's Wedding 20/1/2007

Hey Bruce I just wanted to thank you profusely for helping our wedding become to the party we wanted it to be. To be honest up until the actual night Steve didn't want a DJ. Now however he can't wait to book you for his 30th in September and has been telling his friends that you were the best idea he ever had..... Also the family is still in shock at seeing my 85 year old Nan carving up the dance floor pumping the air with her walking stick – you gave her the night of her life. The only complaints we had was that the music was soooo good and people's feet were aching from dancing too much.

From our side the evening was a great success so I hope it was ok for you. Thanks again for all your hard work and putting up with our total lack of organisation. Our wedding was a great success and you were a key factor. I will recommend you highly, and will no doubt be calling on you again for Steve's dirty 30.

All the best

Millie

Debbie & Leonard's Wedding 21/01/2006

09 February 2006

Dear Bruce,

We can't thank you enough for the amazing night we had aboard the Yarra Queen on the 21st January 2006 when we exchanged our Marriage Vows. The night was hot but we had the best night of our lives. The night was special, the food fantastic and the staff great. But you Bruce was the shining star. You did a fantastic job not only with the music choice but with the MC work. You worked in well with all and I've had great comments in regards to your MC work. Meeting you was like meeting up with a long lost friend again, you really are a people's person. You made for a great night. I will be recommending you to everyone. Thank you from the bottom of our heart. Friends and family have stated that "This is the best Wedding we have ever been to, we have had so much fun".

We had so many problems before our Wedding but I have to say how great you worked with us, and with such short notice, you made for a wonderful night. Thank you for your time, support and goodwill, you made for a very memorable evening.

With Warm Wishes,

Debbie and Leonard Britton.

Hey Bruce!!

Do you remember me??? Sharlene Heskins. You did my wedding at the Ambassador last year.

This is not anything important, I just wanted to let you know that I went to my girlfriends wedding recently, and they hired a DJ who was about \$150.00 dearer than you and you shit all over him!! (excuse the expression).

Anyway hope life is being good to you

Kristen & Paul's Wedding 17/2/2006

Hi Bruce,

Sorry I have taken so long to write this email, but really wanted to say a huge thank you for your work on Fri 17th at our wedding. I was so happy with how you took to the ground running and you couldn't have been more helpful! Everyone has commented on what a great job you had done and everyone thoroughly enjoyed dancing the night away. I think one or two guests may have also been interested in booking you for their upcoming weddings so have passed on all your details, hope you don't mind. Once again thanks for making such a memorable night so much fun.

Amanda's 21st 18/02/2006

Dear Bruce,

Just a quick email to give you some feedback on the job you did for my sisters 21st on 18th February 2006 at the Mordialloc Sporting Club.

Firstly can I congratulate you on your professionalism thru-out the night it was certainly a pleasant change to have someone who not only takes their work quite seriously but can deliver what the client requires to make their night a memorable one.

Secondly your working environment was at the upmost highest standard with your equipment being very well kept up to date with the latest technical needs, your mannerism dealing with different people right thru the night and always checking with Amanda if that was to go ahead with her approval (considering she was the one paying the bill at the end of the night) and of course your mixing of music I hear was one of the finest (I wouldn't know a good mix to a bad mix but its all feedback at the end of the day).

*Thirdly I would like to add that I have been to a lot of functions over my time and your contribution to this function was truly one of the best if not the best.
Thank you for showing us that there are young people who do take pride in their work no matter what field they choose and you certainly led by example.*

Thank you once again and please feel free to use this letter as a future reference if needed, You certainly deserved it.

My kindest regards

Vicki Riley (Amanda's eldest sister)

P.S Amanda was the happiest of all with your work - having the family also happy with your work was just a bonus. Great job Well done!
